## Summary

My name is Jackson and I'm a undergraduate student in Information Technology.

I specialize in Coding and Software.

In my spare time, I enjoy Gaming and the Stock Market.

## Experience

### Technology Associate, Help Desk

Mariner Wealth Advisors

Aug 2023 - Present (8 months)

- Gain exposure in a variety of Information Technology areas: Work directly with Information Technology team members on the internal IT Help Desk team to provide support to personnel of other departments as a computer resource or coordinate and report on key security processes with the Information Security team.
- Foster connections: Grow your network as you meet with and learn from our Information Technology team and others within Mariner Wealth Advisors.
- Experience our 'Giving Back' culture: Engage with our Mariner Foundation through community involvement events.
